THE 1969 BULLDOG

M-F-L Community School

Monona, Iowa

Dedication

Patriotism is a word that has suddenly had a deeper meaning for all of us since so many of our boys have served, or are

serving their country in the Vietnam conflict. It is reassuring to know that draft card burners, and deserters have not been a part of our community.

Steven Johnson

Steven Johnson was a member of the crew of the USS Scorpion when it was last heard from on May 21, 1968.

Steve graduated from M-F-L High School in 1964. While in high school he participated in track, band, vocal groups, and speech. After enlisting in the Navy on January 1, 1964, he graduated from the Service Command, Submarine, and Nuclear Power School. He married Betty Sickman on April 26, 1967.

Survivors include his wife, daughter, parents, Mr. and Mrs. Leland Johnson, a brother, and three sisters.

Keith Doerring

Keith Doerring died while serving in the armed forces of our country.

Keith graduated from Luana consolidated school in 1958 and was an honor student. After attending two years of college, he enlisted in the Army, and later was stationed in Germany. He became ill in May 1964 and died in July 1964.

The flag that draped the casket before burial was presented to the M-F-L High School and hangs on the north wall of the new gymnasium.

Survivors include his parents, Mr. and Mrs. John Doerring, two brothers and four sisters.

In recognition of the devotion with which they served our country, we dedicate the 1969 Bulldog.

Board of Education

Gilbert Fox, Treas.

Members of the school board give generously of their time and services, without pay, to help provide educational opportunities for the young people of the community.

Special recognition is given this year to Gilbert Fox, who has served as a member and treasurer of the school board for 36 years; to George Heins, who has served as a member for 27 years and as secretary for

21 years; to Gordon Schultz, who has served as a member and as president for 16 years; to William Schlein, who has served as a member for 10 years; and to Marvin Miller who has served as a member for 9 years.

Keith Lee and Clyde Thompson are serving their first terms on the board.

These many years of service are deeply appreciated by the students and the community.

News Announcing is perhaps the most difficult of the speech categories. The student is given copy and must select and condense the news into a five minute broadcast, which also includes a special news bulletin. The broadcaster is not seen, and is judged on voice inflection and modulation.

Doug Whittle received a I rating in this division.

Several students participated in the cadet teaching program which was started second semester. The program was designed to give the student a better insight into teaching and practical experience. Mary Jo Olson is shown with her kindergarten class.

This was a busy year for the M-F-L chapter of the Future Teachers of America. On September 21, three members were elected to district offices at the district convention at La Porte City: Linda Moon, Vice President; Carol Olson, Secretary; Joyce Clements, Historian. Dan Schultz was also chosen as a candidate for state treasurer.

On November 9, a computer dance was sponsored by the FTA. Because it was the first of its kind given here, a large crowd attended and enjoyed their "punch-card partners" for the evening.

Dan Schultz campaigned for the office of state treasure at the Iowa State University in Ames on March 24. Mary Jo Engelhardt was his campaign manager. Although Dan's opponent won the office, M-F-I was well represented. Twenty-four students and three teachers traveled to Ames on March 23 to attend the convention.

Installation of the new officers on May 12 completed the year.

To Promote Athletics

... is the goal of the Letterettes and Lettermen clubs. It is each individual's responsibility to secure better relationships between those participating in athletics and other students in various activities. Cheerleaders Add

Zest

The varsity cheerleaders are chosen in the spring of the year by the student council and a committee of the faculty. On the basis of ability and personality, nine girls are selected from those trying out from the freshmen, sophomores, and juniors. The junior varsity cheerleaders are chosen in the fall by the same group. Only freshmen and sophomores are eligible, and five girls are selected.

The responsibilities of the cheerleaders are to promote and create school spirit and good sportsmanship. They add zest to our school sports by planning pep rallies, making posters and backing our teams, win or lose.

1968 Homecoming festivities began with a bonfire held on Wednesday, October 16, on the practice football field. At this time the queen and king candidates were presented to the student body by M. C., Mark Hedemann. Mr. Edward Kruse gave a pep talk, Miss Hauan told a story, and cheers were led by the cheerleaders. The bonfire ended with a snake dance.

At our pep rally on Friday afternoon, October 18, Mary Jo Engelhardt was crowned Homecoming Queen. Mr. Busse gave a pep talk, and the football boys presented a skit. That night M-F-L had a football victory over Elkader with a score of 32-2. Wayne Erickson was crowned King by Queen Mary Jo Engelhardt at the Victory Dance, which followed the football game.

M-F-L's First Try in Upper Iowa Conference

Since 1968 was the first year for M-F-L in the Upper Iowa Conference, one might not have expected much from the team. However the Bulldogs had a fine record of four wins and three losses. All of the games were close and the Bulldogs could not be counted out of any of them.

Seven of the boys were named to all conference for 1968. Chosen for first team were Wayne Erickson, quarterback, and Bruce Cowell, tackle. Second team all conference was Ron Henning, guard. Receiving honorable mention were Len Swestka, end, Clayton Monserud, guard, and Jim Lenth and Keith Steva, halfbacks.
